Superior Threads Frosty Donuts

There are two sets of 35 colors from Superior Frostings. They are L style (not for use in your longarm) prewound bobbins with MasterPiece Thread and then tucked into a BobbinSaver for safekeeping and instant access to all colors. MasterPiece is #50 100% extra-long staple Egyptian-grown cotton! These are great for appliqué because of the wide variety of colors.

18" Magnetic Tool Holder

This holder is so versatile (tools, knives, even quilting):

- **No more lost tools!** You can mount this magnetic holder on the wall and have all your tools within easy reach.
- **Keep your kitchen knives organized and within ready reach!** No more searching through the kitchen drawers, no more knife nicks and cuts! You can mount it on the wall in the kitchen and use it for holding all of your knives. Be sure to attach the spine of the knife first to avoid nicking the cutting edge of the knife.

- **Do you float your quilt tops?** Tired of pinning at the belly bar before you quilt to stabilize the quilt before quilting? Tired of unpinning and then repinning every time you roll the quilt? These magnetic holders are just what you need! They attach firmly to the belly bar and securely hold your quilt top and batting. They remove easily before you roll the quilt. We use them and we love them!

We have these holders in stock and they cost \$5.99 each plus shipping.

Recipe Corner

This recipe was given to us by our USPS mail carrier who picks up most of the supplies we ship to our customers. Easy and delicious!

Shrimp Creole

4 green onions chopped
1/4 cup chopped celery
1/2 cup chopped green pepper
2 tablespoons butter
2 cloves of garlic, minced
1 can (16 oz) diced tomatoes
1 can (6 oz) of tomato paste
1 teaspoon salt
2 teaspoons fresh parsley or 1 teaspoon dried
1/4 teaspoon cayenne pepper
1 lb raw shelled and deveined shrimp

This recipe is served over rice. Cook rice while making the Shrimp Creole.

Preheat oven to 350 degrees. In a casserole dish combine the green onions, green pepper, diced tomatoes, tomato paste, salt, parsley, and cayenne pepper. Bake for 30-40 minutes or until veggies are softened. Meanwhile in a sauté pan, melt the butter, add the garlic and shrimp and sauté for 3 minutes. Add the sautéed shrimp, garlic, and butter to the casserole and bake an additional 10 minutes. Serve over the prepared rice.
