Maintenance Classes

Each student attending any of the VISION or PLUS machine classes is required to bring their machine head, cross track, and the timing tool that came with your machine. You will be working on your machine in class. Each class requires a minimum of 3 students and is limited to a maximum of 6 students per class. Spouses are welcome to attend class with you.

Statler Stitcher students are not required to bring their machines to class. (Statler Stitcher)

Beginner Skill Classes

Require that each student be able to 1) completely load the machine correctly within the first hour of class, 2) must be able to do a smooth and good looking pantograph, 3) read the supply list sheet, and 4) bring to class all of the required materials in the supply list in the color and sizes specified. These elements are key to ensure that class is successful for you and the other students participating in the class with you.

2012 Statler Stitcher 2 day Creative Studio Classes

2 day classes free to all persons who purchase a machine from Pat's Calico Cottage. They are scheduled on an individual basis so you must call to schedule your class. If you are not one of our customers please call for pricing and scheduling. Classes 10 am - 5 pm.

Memorial Day is May 28 - a day to remember all the men and women who died in military service to the United States.
