NEW Product Polydown® 120" x 30 yd roll

Utilizing siliconized (slick) fibers and the latest resin bonded techniques, Hobbs makes the ultimate polyester quilt batting. This batting is resin bonded to resist fiber migration. Is is non-allergenic, washable and can be quilted up to 4-6" apart. Hand quilters will especially appreciate quilting the soft, silky fibers.

Polydown® 120" x 30 yd is \$100 roll

Polydown® 108" x 30 yd is \$90 roll

Hand Guiders Labor Day Special for September

Karen McTavish - Award Winning Longarm Quilter combines the best of how-to, history and art. This book is a fusion of two concepts: and artful, coffee-table lexicon of award-winning quilts, and a resourceful, knowledge guide structured to lead readers to their own wholecloth quilting success. This book features some of the country's best quilters, showcasing 60 award-winning Wholecloth, Trapunto, Appliqué and Pieced quilts.

September Only Special: \$29.95

MSRP: \$39.95
