Check out the new Batting from Hobbs Bonded Fibers!

**Hobbs Tuscany Blend Batting**

80% Cotton and 20% Wool

Hobbs Tuscany Cotton Wool Blend Batting is made with fine USA cotton blended with the very best super wash wool. The blend is 80% cotton with 20% super wash wool. It is then carded and resin bonded to help retard bearding. This Tuscany blend batting provides superb insulation and the fibers breathe allowing excess heat to disperse away from the body. It can be quilted up to 4 inches apart and is washable. We recommend washing in tepid water and lying flat to dry. It is great for hand, machine, or longarm quilting projects. Pre-washing the batting is NOT recommended. Available in the package or on the roll.

TCW King Package 120"x120" = \$40.00

TCWBY 96" x 30 yards = \$190.00
